(1) **DOMESTIC ANIMALS.** Those animals commonly accepted as domesticated household pets. Unless otherwise defined, domestic animals shall include dogs, cats, caged birds, gerbils, hamsters, guinea pigs, domesticated rabbits, fish, non-poisonous, non-venomous and non-constricting reptiles or amphibians, and other similar animals.

(2) **FARM ANIMALS.** Those animals commonly associated with a farm or performing work in an agricultural setting. Unless otherwise defined, farm animals shall include members of the equine family (horses, mules), bovine family (cows, bulls), sheep, poultry (chickens, turkeys), fowl (ducks, geese), swine (including Vietnamese pot-bellied pigs), goats, bees, ratitae (ostriches and emus), farm raised cervidae (caribous and mule deer), llamas and alpacas and other animals associated with a farm, ranch, or stable.

(3) **NON-DOMESTIC ANIMALS.** Those animals commonly considered to be naturally wild and not naturally trained or domesticated, or which are commonly considered to be inherently dangerous to the health, safety, and welfare of people. Unless otherwise defined, non-domestic animals shall include:

(a) Any member of the large cat family (family felidae) including lions, tigers, cougars, bobcats, leopards and jaguars, but excluding commonly accepted domesticated house cats.

(b) Any naturally wild member of the canine family (family canidae) including wolves, foxes, coyotes, dingoes, and jackals, but excluding commonly accepted domesticated dogs.

(c) Any crossbreeds such as the crossbreed between a wolf and a dog, unless the crossbreed is commonly accepted as a domesticated house pet.

(d) Any member or relative of the rodent family including any skunk (whether or not descended), raccoon, squirrel, or ferret, but excluding those members otherwise defined or commonly accepted as domesticated pets.

(e) Any poisonous, venomous, constricting, or inherently dangerous member of the reptile or amphibian families including rattlesnakes, boa constrictors, pit vipers, crocodiles and alligators.

(f) Any other animal which is not explicitly listed above but which can be reasonably defined by the terms of this section, including but not limited to bears, deer, monkeys and game fish.

AT LARGE. Off the premises of the owner and not under the custody and control of the owner or other person, either by leash, cord, chain, or otherwise restrained or confined.

CAT. Both the male and female of the felidae species commonly accepted as domesticated household pets.

DOG. Both the male and female of the canine species, commonly accepted as domesticated household pets, and other domesticated animals of a dog kind.

OWNER. Any person or persons, firm, association or corporation owning, keeping, or harboring an animal.

RELEASE PERMIT. A permit issued by the Animal Control Officer or other person in charge of the pound for the release of any animal that has been taken to the pound. A release permit may be obtained upon payment of a fee to the City Clerk in accordance with the regular license requirement if the animal is unlicensed, payment of a release fee, and any maintenance costs incurred in capturing and impounding the animal. The release fee shall be as established in the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11, as it may be amended from time to time.

§ 91.02 DOGS AND CATS.

(A) *Running at large prohibited.* It shall be unlawful for the dog or cat of any person who owns, harbors, or keeps a dog or cat, to run at large. A person, who owns, harbors, or keeps a dog or cat which runs at large shall be guilty of a misdemeanor. Dogs or cats on a leash and accompanied by a responsible person or accompanied by and under the control and direction of a responsible person, so as to be effectively restrained by command as by leash, shall be permitted in streets or on public land unless the city has posted an area with signs reading "Dogs or Cats Prohibited."

(B) *License required.*

(1) All dogs over the age of six months kept, harbored, or maintained by their owners in the city, shall be licensed and registered with the city. Dog licenses shall be issued by the City Clerk upon payment of the license fee as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time. The owner shall state, at the time application is made for the license and upon forms provided, his or her name and address and the name, breed, color, and sex of each dog owned or kept by him or her. No license shall be granted for a dog that has not been vaccinated against distemper and rabies, as evidenced by a certificate by a veterinarian qualified to practice in the state in which the dog is vaccinated.

(2) It shall be the duty of each owner of a dog subject to this section to pay to the City Clerk the license fee established in the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11, as it may be amended from time to time.

(3) Upon payment of the license fee as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time, the Clerk shall issue to the owner a license certificate and metallic tag for each dog licensed. The tag shall have stamped on it the year for which it is issued and the number corresponding with the number on the certificate. Every owner shall be required to provide each dog with a collar to which the license tag must be affixed, and shall see that the collar and tag are constantly worn. In case a dog tag is lost or destroyed, a duplicate shall be issued by the City Clerk. A charge shall be made for each duplicate tag in an amount established in the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11, as it may be amended from time to time. Dog tags shall not be transferable from one dog to another and no refunds shall be made on any dog license fee or tag because of death of a dog or the owner's leaving the city before the expiration of the license period.

(4) The licensing provisions of this division (B) shall not apply to dogs whose owners are nonresidents temporarily within the city, nor to dogs brought into the city for the purpose of participating in any dog show. Service animals do not require a license.

(5) The funds received by the City Clerk from all dog licenses and metallic tags fees as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time, shall first be used to defray any costs incidental to the enforcement of this chapter; including, but not restricted to, the costs of licenses, metallic tags, and impounding and maintenance of the dogs.

(C) *Cats.* Cats shall be included as controlled by this division insofar as running-at-large, pickup, impounding, boarding, licensing and proof of anti-rabies vaccine is concerned. All other provisions of this section shall also apply to cats unless otherwise provided.

(D) *Vaccination.*

(1) All dogs and cats kept harbored, maintained, or transported within the city shall be vaccinated at least once every three years by a licensed veterinarian for:

- (a) Rabies - with a live modified vaccine; and
- (b) Distemper.

(2) A certificate of vaccination must be kept on which is stated the date of vaccination, owner's name and address, the animal's name (if applicable), sex, description and weight, the type of vaccine, and the veterinarian's signature. Upon demand made by the City Clerk, the Animal Control Officer or a police officer, the owner shall present for examination the required certificate(s) of vaccination for the animal(s). In cases where certificates are not presented, the owner or keeper of the animal(s) shall have seven days in which to present the certificate(s) to the City Clerk or officer. Failure to do so shall be deemed a violation of this section.

Penalty, see § 91.99

§ 91.03 NON-DOMESTIC ANIMALS.

Except as provided in M.S. § 346.155, as it may be amended from time to time, it shall be illegal for any person to own, possess, harbor, or offer for sale, any non-domestic animal within the city. Any owner of a non-domestic animal at the time of adoption of this code shall have 30 days in which to remove the animal from the city after which time the city may impound the animal as provided for in this section. An exception shall be made to this prohibition for animals specifically trained for and actually providing assistance to the handicapped or disabled, and for those animals brought into the city

as part of an operating zoo, veterinarian clinic, scientific research laboratory, or a licensed show or exhibition.

Penalty, see § 91.99

§ 91.04 FARM ANIMALS.

Farm animals shall only be kept in an agricultural district of the city, or on a residential lot of at least ten acres in size provided that no animal shelter shall be within 300 feet of an adjoining piece of property. An exception shall be made to this section for those animals brought into the city as part of an operating zoo, veterinarian clinic, scientific research laboratory, or a licensed show or exhibition.

§ 91.05 IMPOUNDING.

(A) *Running at large.* Any unlicensed animal running at large is hereby declared a public nuisance. Any Animal Control Officer or police officer may impound any dog or other animal found unlicensed or any animal found running at large and shall give notice of the impounding to the owner of the dog or other animal, if known. The Animal Control Officer or police officer shall not enter the property of the owner of an animal found running at large or the owner of an unlicensed animal unless the officer has first obtained the permission of the owner to do so or has obtained a warrant issued by a court of competent jurisdiction, as provided for in § 10.20, to search for and seize the animal. In case the owner is unknown, the officer shall post notice at the city office that if the dog or other animal is not claimed within the time specified in division (C) of this section, it will be sold or otherwise disposed of. Except as otherwise provided in this section, it shall be unlawful to kill, destroy, or otherwise cause injury to any animal, including dogs and cats running at large.

(B) *Biting animals.* Any animal that has not been inoculated by a live modified rabies vaccine and which has bitten any person, wherein the skin has been punctured or the services of a doctor are required, shall be confined in the city pound for a period of not less than ten days, at the expense of the owner. The animal may be released at the end of the time if healthy and free from symptoms of rabies, and by the payment of all costs by the owner. However, if the owner of the animal shall elect immediately upon receipt of notice of need for the confinement by the officer to voluntarily and immediately confine the animal for the required period of time in a veterinary hospital of the owner's choosing, not outside of the county in which this city is located, and provide immediate proof of confinement in the manner as may be required, the owner may do so. If, however, the animal has been inoculated with a live modified rabies vaccine and the owner has proof of the vaccination by a certificate from a licensed veterinarian, the owner may confine the dog or other animal to the owner's property.

(C) *Reclaiming.* For the purposes of this section regular business day means a day during which the establishment having custody of the animal is open to the public at least four consecutive hours between 8:00 a.m. and 7:00 p.m. All animals conveyed to the pound shall be kept, with humane treatment and sufficient food and water for their comfort, at least five regular business days, unless the animal is a dangerous animal as defined under § 91.11 in which case it shall be kept for seven regular

business days or the times specified in § 91.11, and except if the animal is a cruelly-treated animal in which case it shall be kept for ten regular business days, unless sooner reclaimed by their owners or keepers as provided by this section. In case the owner or keeper shall desire to reclaim the animal from the pound, the following shall be required, unless otherwise provided for in this code or established from time to time by resolution of the City Council:

(1) Payment of the release fee and receipt of a release permit as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time.

(2) Payment of maintenance costs, as provided by the pound, per day or any part of day while animal is in the pound; and

(3) If a dog is unlicensed, payment of a regular license fee as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time, and valid certificate of vaccination for rabies and distemper shots is required.

(D) *Unclaimed animals.* At the expiration of the times established in division (C) of this section, if the animal has not been reclaimed in accordance with the provisions of this section, the officer appointed to enforce this section may dispose of the unclaimed animal in a manner permitted by law. Any money collected under this section shall be payable to the City Clerk.
Penalty, see § 91.99

§ 91.06 KENNELS.

(A) *Definition of kennel.* The keeping of three or more dogs on the same premises, whether owned by the same person or not and for whatever purpose kept, shall constitute a “kennel”; except that a fresh litter of pups may be kept for a period of three months before that keeping shall be deemed to be a “kennel.”

(B) *Kennel as a nuisance.* Because the keeping of three or more dogs on the same premises is subject to great abuse, causing discomfort to persons in the area by way of smell, noise, hazard, and general aesthetic depreciation, the keeping of three or more dogs on the premises is hereby declared to be a nuisance and no person shall keep or maintain a kennel within the city.
Penalty, see § 91.99

§ 91.07 BARKING/CRYING/WHINING DOGS.

(A) *Habitual barking.* It shall be unlawful for any person to keep or harbor a dog which habitually barks or cries. Habitual barking shall be defined as barking for repeated intervals of at least five minutes

with less than one minute of interruption. The barking must also be audible off of the owner's or caretaker's premises.

(B) *Damage to property.* It shall be unlawful for any person's dog or other animal to damage any lawn, garden, or other property, whether or not the owner has knowledge of the damage.

(C) *Cleaning up litter.* The owner of any animal or person having the custody or control of any animal shall be responsible for cleaning up any feces of the animal and disposing of the feces in a sanitary manner whether on their own property, on the property of others or on public property.

(D) *Warrant required.* The Animal Control Officer or police officer shall not enter the property of the owner of an animal described in this section unless the officer has first obtained the permission of the owner to do so or has obtained a warrant issued by a court of competent jurisdiction, as provided for in § 10.20, to search for and seize the animal.

§ 91.08 SEIZURE OF ANIMALS.

Any police officer or Animal Control Officer may enter upon private property and seize any animal with the permission of the owner of the property, if that person is also the owner of the animal, provided that the following exist:

(A) There is an identified complainant other than the police officer or Animal Control Officer making a contemporaneous complaint about the animal;

(B) The officer reasonably believes that the animal meets either the barking dog criteria set out in § 91.07(A); the criteria for cruelty set out in § 91.13; or the criteria for an at large animal set out in § 91.02(A);

(C) The officer can demonstrate that there has been at least one previous complaint of a barking dog; inhumane treatment of the animal; or that the animal was at large at this address on a prior date;

(D) The officer has made a reasonable attempt to contact the owner of the animal and the property to be entered and those attempts have either failed or have been ignored;

(E) The Animal Control Officer or police officer shall not enter the property of the owner of an animal described in this section unless the officer has first obtained the permission of the owner to do so or has obtained a warrant issued by a court of competent jurisdiction, as provided for in § 10.20, to search for and seize the animal. If the officer has the permission of the owner, a property manager, landlord, innkeeper, or other authorized person to enter the property or has obtained a pass key from

a property manager, landlord, innkeeper, or other authorized person to have that key shall not be considered unauthorized entry, and a warrant to search for and seize the animal need not be obtained; and

(F) Written notice of the seizure is left in a conspicuous place if personal contact with the owner of the animal is not possible.

§ 91.09 ANIMALS PRESENTING A DANGER TO HEALTH AND SAFETY OF CITY.

If, in the reasonable belief of any person or the Animal Control Officer or police officer, an animal presents an immediate danger to the health and safety of any person, or the animal is threatening imminent harm to any person, or the animal is in the process of attacking any person, the person or officer may destroy the animal in a proper and humane manner whether or not the animal is on the property of its owner. Otherwise, the person or officer may apprehend the animal and deliver it to the pound for confinement under § 91.05. If the animal is destroyed, the owner or keeper of the animal destroyed shall be liable to the city for the cost of maintaining and disposing of the animal, plus the costs of any veterinarian examination. If the animal is found not to be a danger to the health and safety of the city, it may be released to the owner or keeper in accordance with § 91.05(C).

§ 91.10 DISEASED ANIMALS.

(A) *Running at large.* No person shall keep or allow to be kept on his or her premises, or on premises occupied by them, nor permit to run at large in the city, any animal which is diseased so as to be a danger to the health and safety of the city, even though the animal be properly licensed under this section, and a warrant to search for and seize the animal is not required.

(B) *Confinement.* Any animal reasonably suspected of being diseased and presenting a threat to the health and safety of the public, may be apprehended and confined in the pound by any person, the Animal Control Officer or a police officer. The officer shall have a qualified veterinarian examine the animal. If the animal is found to be diseased in a manner so as to be a danger to the health and safety of the city, the officer shall cause the animal to be painlessly killed and shall properly dispose of the remains. The owner or keeper of the animal killed under this section shall be liable to the city for the cost of maintaining and disposing of the animal, plus the costs of any veterinarian examinations.

(C) *Release.* If the animal, upon examination, is not found to be diseased the animal shall be released to the owner or keeper free of charge.
Penalty, see § 91.99

§ 91.11 DANGEROUS AND POTENTIALLY DANGEROUS DOGS.

(A) *Adoption by reference.* Except as otherwise provided in this section, the regulatory and procedural provisions of M.S. §§ 347.50 to 347.565 (commonly referred to as the “Dangerous Dog Regulations”), are adopted by reference.

(7) **PROPER ENCLOSURE.** Securely confined indoors or in a securely enclosed and locked pen or structure suitable to prevent the dog from escaping and to provide protection for the dog from the elements. A proper enclosure does not include a porch, patio, or any part of a house, garage, or other structure that would allow the dog to exit of its own volition, or any house or structure in which windows are open or in which door or window screens are the only barriers which prevent the dog from exiting. The enclosure shall not allow the egress of the dog in any manner without human assistance. A pen or kennel shall meet the following minimum specifications:

(C) *Declaration of dangerous or potentially dangerous dog.*

(1) A police officer, community service officer, animal control officer or other authorized city employee may declare a dog to be dangerous or potentially dangerous when the officer has probable cause to believe that a dog is dangerous or potentially dangerous. The following factors will be considered in determining a dangerous or potentially dangerous dog:

(a) Whether any injury or damage to a person by the dog was caused while the dog was protecting or defending a person or the dog's offspring within the immediate vicinity of the dog from an unjustified attack or assault.

(b) The size and strength of the dog, including jaw strength, and the animal's propensity to bite humans or other domestic animals.

(c) Whether the dog has wounds, scarring, is observed in a fight, or has other indications that the dog has been or will be used, trained or encouraged to fight with another animal or whose owner is in possession of any training apparatus, paraphernalia or drugs used to prepare such dogs to fight with other animals.

(2) Beginning six months after a dog is declared dangerous or potentially dangerous, an owner may request annually that the city review the designation. The owner must provide evidence that the dog's behavior has changed due to the dog's age, neutering, environment, completion of obedience training or other factors. If enough evidence is provided, the city may rescind the designation.

(3) *Exceptions.*

(a) The provisions of this section do not apply to dogs used by law enforcement.

(b) Dogs may not be declared dangerous or potentially dangerous if the threat, injury, or danger was sustained by a person who was:

1. Committing a willful trespass or other tort upon the premises occupied by the owner of the dog;

2. Provoking, tormenting, abusing or assaulting the dog, or who can be shown to have a history of repeatedly provoking, tormenting, abusing, or assaulting the dog; or

3. Committing or attempting to commit a crime.

(D) *License required.* The owner must annually license dangerous and potentially dangerous dogs with the city and must license a newly declared dangerous or potentially dangerous dog within 14 days after notice that a dog has been declared dangerous or potentially dangerous. Regardless of any appeal that may be requested, the owner must comply with the requirements of M.S. § 347.52 (a) and (c) regarding proper enclosures and notification to the city upon transfer or death of the dog, until and unless a hearing officer or court of law reverses the declaration.

(1) *Process for dangerous dogs.* The city will issue a license to the owner of a dangerous dog if the owner presents sufficient evidence that:

(a) There is a proper enclosure;

(b) Written proof that there is a surety bond by a surety company authorized to conduct business in Minnesota in the sum of at least \$300,000, payable to any person injured by a dangerous dog, or receipt of a copy of a policy of liability insurance issued by an insurance company authorized to do business in Minnesota in the amount of at least \$300,000, insuring the owner for any personal injuries

inflicted by the dangerous dog. Such surety bond or insurance policy shall provide that no cancellation of the bond or policy will be made unless the city is notified in writing by the surety company or the insurance company at least ten days prior to such cancellation;

(c) The owner has paid the annual license fee for dangerous dogs as established in the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this Code.

(d) The owner has had a microchip identification implanted in the dangerous dog. The name of the microchip manufacturer and identification number of the microchip must be provided to the city. If the microchip is not implanted by the owner, it may be implanted by the city at the owner's expense; and

(a) There is a proper enclosure;

(b) The owner has paid the annual license fee;

(c) The owner has had a microchip identification implanted in the potentially dangerous dog. The name of the microchip manufacturer and identification number of the microchip must be provided to the city. If the microchip is not implanted by the owner, it may be implanted by the city at the owner's expense.

(3) *Inspection.* A pre-license inspection of the premises to insure compliance with the city code is required. If the city issues a license to the owner of a dangerous or potentially dangerous dog, the city shall be allowed at any reasonable time to inspect the dog, the proper enclosure and all places where the animal is kept.

(4) *Warning symbol.* The owner of a dangerous dog licensed under this section must post a sign with the uniform dangerous dog warning symbol on the property in order to inform children that there is a dangerous dog on the property. The sign will be provided by the city upon issuance of the license.

(5) *Tags.* A dangerous dog licensed under this section must wear a standardized, easily identifiable tag at all times that contains the uniform dangerous dog symbol, identifying the dog as dangerous. The tag shall be provided by the city upon issuance of the license.

(6) *License fee.* The city will charge the owner an annual license fee for a dangerous or potentially dangerous dog as established in the Ordinance to Establish Fees and Charges as it may be amended from time to time.

(E) *Properly restrained in proper enclosure or outside of proper enclosure.* While on the owner's property, an owner of a dangerous or potentially dangerous dog must keep it in a proper enclosure. Inside a residential home, there must be a secured area maintained where the dog will stay when persons other than family members are present. If the dog is outside the proper enclosure, the dog must be muzzled and restrained by a substantial chain or leash no longer than four feet and under the physical restraint of an adult. The muzzle must be made in a manner that will prevent the dog from biting any person or animal but that will not cause injury to the dog or interfere with its vision or respiration.

(F) *Notification requirements to city.*

(1) *Relocation or death.* The owner of a dog that has been declared dangerous or potentially dangerous must notify the City Clerk in writing if the dog is to be relocated from its current address or if the dog has died. The notification must be given in writing within 30 days of the relocation or death. The notification must include the current owner's name and address, and the new owner's name and the relocation address. If the relocation address is outside of the city, the city may notify the local law enforcement agency of the transfer of the dog into its jurisdiction.

(2) *Renter's obligations.* A person who owns or possess a dangerous or potentially dangerous dog and who will rent property from another where the dog will reside must disclose to the property owner prior to entering the lease agreement and at the time of any lease renewal periods that the person owns or possesses a dangerous or potentially dangerous dog that will reside at the property. A dog owner, who is currently renting property, must notify the property owner within 14 days of city notification if the owned dog is newly declared as dangerous or potentially dangerous and the owner keeps the dog on the property.

(3) *Transfer of ownership into the city.* No dog that has been previously determined to be dangerous or potentially dangerous by another jurisdiction shall be kept, owned or harbored in the city unless the dog's owner complies with the requirements of this section prior to bringing the dog into the city. Dogs in violation of this division are subject to impoundment and destruction.

(G) *Seizure.* Animal control may immediately seize any dangerous or potentially dangerous dog if:

(1) After 14 days after the owner has notice that the dog is declared dangerous or potentially dangerous, the dog is not validly licensed and no appeal has been filed;

(2) After 14 days after the owner has notice that the dog is dangerous, the owner does not secure the proper liability insurance or surety coverage as required or such required insurance is cancelled;

(3) The dog is not maintained in a proper enclosure;

(4) The dog is outside the proper enclosure and not under proper restraint, as required by § 91.11(E);

(5) After 30 days after the owner has notice that the dog is dangerous, the dog is not sterilized, as required by § 91.11(D)(1)(e);

(6) The dog's microchip has been removed.

(H) *Reclamation.* A dog seized under § 91.11(G) may be reclaimed by the owner of the dog upon payment of maintenance costs, and presenting proof to animal control that the requirements of this section have been met. A dog not reclaimed under this division within seven days may be disposed of and the owner will be liable to the city for maintenance costs. A person claiming an interest in a seized dog may prevent disposition of the dog by posting a security in an amount sufficient to provide for the dog's maintenance costs. The security must be posted with the city within seven days of the seizure inclusive of the date seized.

(I) *Subsequent offenses: seizure.* If a person has been convicted of violating a provision of this section, and the person is charged with a subsequent violation relating to the same dog, the dog may be seized. If the owner is convicted of the crime for which the dog was seized, the court may order that the dog be destroyed in a proper and humane manner and the owner pay the maintenance costs. If the owner is not convicted and the dog is not reclaimed by the owner within seven days after the owner has been notified that the dog may be reclaimed, the dog may be disposed of in manner permitted by law.

(J) *Notice, hearings.*

(1) *Notice.* After a dog has been declared dangerous or potentially dangerous or has been seized for destruction, the city shall give notice by delivering or mailing it to the owner of the dog, or by posting a copy of it at the place where the dog is kept, or by delivering it to a person residing on the property, and telephoning, if possible. The notice shall include:

(a) A description of the seized dog; the authority for and purpose of the declaration and seizure; the time, place, and circumstances under which the dog was declared; and the telephone number and contact person where the dog is kept;

(b) A statement that the owner of the dog may request a hearing concerning the declaration and that failure to do so within 14 days of the date of the notice will terminate the owner's right to a hearing;

(c) A statement that if an appeal request is made within 14 days of the notice, the owner must immediately comply with the requirements of M.S. § 347.52, paragraphs (a) and (c) regarding proper enclosures and notification to the city upon transfer or death of the dog, until such time as the hearing officer issues an opinion;

(2) *Right to hearing.*

(a) After a dog has been declared dangerous, potentially dangerous or has been seized for destruction, the owner may appeal in writing to the city within 14 days after notice of the declaration or seizure. Failure to do so within 14 days of the date of the notice will terminate the owner's right to a hearing. The owner must pay a \$100 fee for an appeal hearing.

- (a) The dog weighs more than 20 pounds;
- (b) The strength of the dog, including jaw strength;
- (c) The dog's tolerance for pain;

(N) *Dog ownership prohibition review.* Beginning three years after a conviction under § 91.11(M)(1) that prohibits a person from owning a dog, and annually thereafter, the person may request in writing to the Police Chief that the city review the prohibition. The city may consider such facts as the seriousness of the violation or violations that led to the prohibition, any criminal convictions, or other facts that the city deems appropriate. The city may rescind the prohibition entirely or rescind it with limitations. The city also may establish conditions a person must meet before the prohibition is rescinded, including, but not limited to, successfully completing dog training or dog handling courses. If the city rescinds a person's prohibition and the person subsequently fails to comply with any limitations imposed by the city or the person is convicted of any animal violation involving unprovoked bites or dog attacks, the city may permanently prohibit the person from owning a dog in this state.

(2) If an owner requests a hearing for determination as to the dangerous nature of the animal, the hearing shall be held before the City Council, which shall set a date for hearing not more than three weeks after demand for the hearing. The records of the Animal Control or City Clerk's office shall be admissible for consideration by the Animal Control Officer without further foundation. After considering

all evidence pertaining to the temperament of the animal, the City Council shall make an order as it deems proper. The City Council may order that the Animal Control Officer take the animal into custody for destruction, if the animal is not currently in custody. If the animal is ordered into custody for destruction, the owner shall immediately make the animal available to the Animal Control Officer. If the owner does not immediately make the animal available, the Animal Control Officer shall obtain an order or warrant authorizing the seizure and the destruction of the animal from a court of competent jurisdiction.

The muzzle must be of a design as to prevent the animal from biting any person or animal, but will not cause injury to the animal or interfere with its vision or respiration;

(e) The animal shall have a microchip implant as provided by M.S. § 347.515, as it may be amended from time to time;

(f) All animals deemed dangerous by the Animal Control Officer shall be registered with the county in which this city is located within 14 days after the date the animal was so deemed and provide satisfactory proof thereof to the Animal Control Officer.

Seizure may be appealed to district court by serving a summons and petition upon the city and filing it with the district court.

(3) *Reclaiming animals.* A dangerous animal seized under § 91.12(J)(2), may be reclaimed by the owner of the animal upon payment of impounding and boarding fees and presenting proof to animal control that each of the requirements under § 91.12(J)(1), is fulfilled. If the owner is found to have violated the provisions for which the animal was seized, the Animal Control Officer shall order the animal destroyed in a proper and humane manner and the owner shall pay the costs of confining the animal. If the person is found not to have violated the provisions for which the animal was seized, the owner may reclaim the animal under the provisions of § 91.12(J)(3). (3) *Transportation and shipment.* When dogs or cats are transported in crates or containers, the crates or containers must be constructed of nonabrasive wire or a smooth, durable material suitable for the animals. Crates and containers must be clean, adequately ventilated, contain sufficient space to allow the animals to turn around, and provide maximum safety and protection to the animals. Exercise for 20 to 30 minutes and water must be provided at least once every eight hours. Food must be provided at least once every 24 hours or more often, if necessary, to maintain the health and condition of the animals.

Each confined animal must be provided a minimum square footage of floor space as measured from the tip of its nose to the base of its tail, plus 25%, expressed in square feet. The formula for computing minimum square footage is: (length of animal plus 25%) times (length of animal plus 25%), divided by 144. A shaded area must be provided sufficient to protect the animal from the direct rays of the sun at all times during the months of May to October.

Auxiliary ventilation, such as exhaust fans, vents, and air conditioning, must be used when the ambient temperature rises to a level that may endanger the health of the animal.

(9) *Lighting.* An indoor confinement area must have at least eight hours of illumination sufficient to permit routine inspection and cleaning.

(10) *Confinement and exercise area surfaces.* Where applicable, the interior surfaces of confinement and exercise areas, including crates or containers, must be constructed and maintained so that they are substantially impervious to moisture and may be readily cleaned. They must protect the animal from injury and be kept in good repair.

(11) *Drainage.* Where applicable, a suitable method must be used to rapidly eliminate excess fluids from confinement areas.

(12) *Sanitation.* Food and water receptacles must be accessible to each animal and located so as to minimize contamination by excreta. Feeding and water receptacles must be kept clean. Disposable food receptacles must be discarded when soiled. Measures must be taken to protect animals from being contaminated with water, wastes, and harmful chemicals. Wastes must be disposed of properly. Where

applicable, flushing methods and a disinfectant must be used periodically. Bedding, if used, must be kept clean and dry. Outdoor enclosures must be kept clean and base material replaced as necessary.

(C) *Birds, rodent other animals.* Basic care provided to pet and companion animal birds, rodents and other shall be consistent with M.S. § 346.40, § 346.41 and §346.42, as those statutes may be amended from time to time.

(1) *Building specifications.* The shelter shall include a moisture proof and windproof structure of suitable size to accommodate the dog and allow retention of body heat. It shall be made of durable material with a solid, moisture proof floor or a floor raised at least two inches from the ground. Between November 1 and March 31 the structure must have a windbreak at the entrance. The structure shall be provided with a sufficient quantity of suitable bedding material consisting of hay, straw, cedar shavings, blankets, or the equivalent, to provide insulation and protection against cold and dampness and promote retention of body heat.

(2) *Shade.* Shade from the direct rays of the sun, during the months of May to October shall be provided.

(3) *Farm dogs.* In lieu of the requirements of (E)(1) and (E)(2), a dog kept on a farm may be provided with access to a barn with a sufficient quantity of loose hay or bedding to protect against cold and dampness.

In addition, food provided for stray animals is often attractive to wild animals such as raccoons and rodents and may create nuisance conditions such as a rat harborage or other wild animal infestation.

(C) No person shall feed or allow the feeding of any stray cat or dog within the city.

(D) *Exceptions.* Veterinarians and persons who, acting within the scope of their employment with any governmental entity non-profit, or humane society has custody of or manages stray dogs and cats are not subject to the prohibitions of this section.
